COMPETITION RULES:

Players can only play for one club in this competition.

Two rinks from one club will play against two rinks from another club and the aggregate score between the two games will be used to determine the winner.

All games played to the bell or 8 ends, whichever comes sooner, except the final which will be played over 8 ends.

If a club arrives with 7 players games will start immediately, with the offending rink losing one shot for every five minutes until the player arrives, up to maximum of three shots.

If a club arrives with only 6 players, both rinks will play with three players with deductions as above.

At the end of the game if there is a tie on aggregate shots, ends will count. If there is a tie on shots and ends, one nominated player from each side will draw the shot on the rink of his/her choice to decide the winner. Except in the final, when in the event of a draw on shots and ends, an extra end will be played by one nominated team from each club, the choice of sheet to be determined by the skip who wins the toss of the coin.

COMPETITION RULES:

Players must be aged 50 or over by 30th June, 2024. Games should start and be played to the bell.

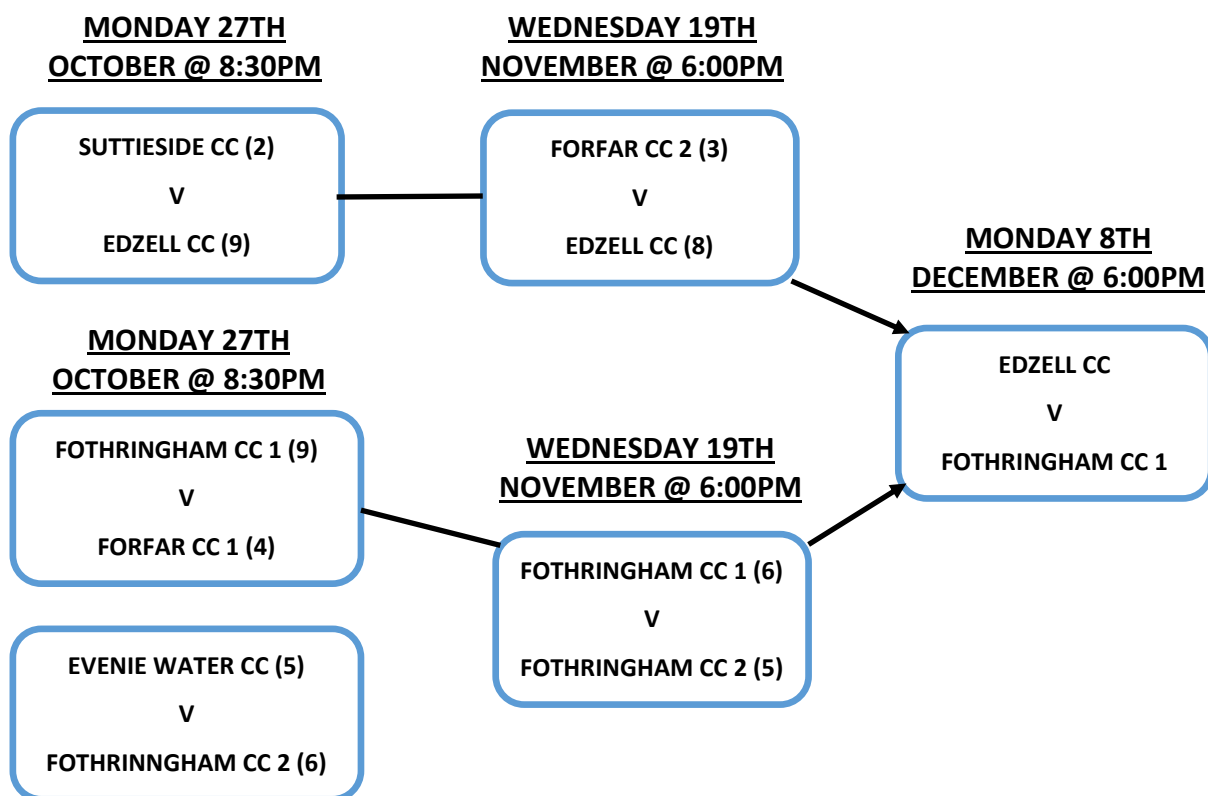

Games must be played on the allocated dates & time. Players can only play for one team in this competition. Games should start on time and can be played with three players throughout or until the fourth player arrives.

The maximum penalty shots will be three shots with one penalty shot for every five minutes a player or players are missing up to 15 minutes.

During the knockout stages before the final, if a game is level on shots, ends will count. If the score and ends are equal the skips will draw the shot to decide the winner. The final will be 8 ends with only the score counting. If the score is level and extra end/s will be played to determine the winner.

COMPETITION WINNER:
