The Scottish Curling Rink Championship Finals Qualifiers will be run as a round robin, with the top 2 teams after completion of the round robin qualifying for the finals.

Qualification would be based on Points, Ends, Shots+/-, Total Shots. If teams are drawn for a qualifying place after that criteria a play-off game will be arranged.

All games will be 8 ends. In the event of a tie an extra end will be played.

Players can only play for one team in this competition. Players who play for clubs in the qualifying rounds must be the players who play in the finals up to a maximum of 6 players.
